The following terms and conditions constitute a legally binding agreement (the “Agreement”) between you (the purchaser, “You” or “LICENSEE”) and Kaizen Audio Group SL, the owner of the Surround Sound Lab sound libraries (“SSLab”, “Kaizen Audio” or “Licensor”). Please read these terms carefully before purchasing any Sound Library. By purchasing, downloading or using any Library, you acknowledge that you have read this Agreement, understand it and agree to be bound by its terms and conditions.

Upon your acceptance of this Agreement and payment for the downloaded content (the “LIBRARIES”), and subject to its terms and conditions, you are granted a non-exclusive, royalty-free MEDIA LICENSE, which includes the right to combine the LIBRARIES with graphics, video, or sound elements to create any media product/production. This includes media products/productions for film, web, multimedia, podcasting, embedding in video games and most other applications. The MEDIA LICENSE for the LIBRARIES is granted to a single user. If you want to purchase a multi-user, facility or site license, please contact Licensor directly. You can use it over and over, in as many projects as you see fit, in perpetuity. All rights not expressly granted herein are reserved.

The license includes:

1. Mechanical rights — the right to re-record, duplicate and release the Library as part of your or your clients’ product/production in whatever medium you choose (video, film, CD-ROM, BLU-RAY, DVD & TV productions, interactive programs & computer games, radio presentations & commercials, television programs & commercials, live performances, speech & audio book products, web pages & multimedia presentations, AV & computer generated displays, podcasts, digital formats). All such applications hereinafter referred to as “product/production”; no additional clearances or paperwork are required.
2. Synchronization rights — the right to use the LIBRARIES as a soundtrack “synced” with visual images, or sounds as part of your or your clients’ product/production; no additional clearances or paperwork are required.
3. Public Performance & Broadcast rights — the right to use the LIBRARIES as part of the public viewing or broadcast of your or your clients’ product/production, including but not limited to videos, dvd, blu-ray, web sites, podcasts, multimedia presentations, video games, films, television, and radio; no additional clearances or paperwork are required.

You the licensee MAY:

1. Use the LIBRARIES (as part of your or your clients’ product/production) in perpetuity, within different or various works or projects as you see fit.

2. Publicly perform the LIBRARIES (as part of your or your clients' product/production) over any public or private medium.
3. Transfer the LIBRARIES to any medium necessary (video, film, reel to reel, digital, etc.) to complete your or your clients' product/production and distribute it.
4. Use the LIBRARIES for any visual productions (film, video, tv, etc.) in their entire length, and these productions may be duplicated without restriction.
5. Use the LIBRARIES as individual sound assets in video games, online games, etc. or multimedia projects, across any platform(s).

Limitations

Licensor protects its copyright by all necessary means, including legal action. The LIBRARIES may not be copied or duplicated except for use in the LICENSEE's or LICENSEE's clients' productions and any advertising, promotions, or trailers associated therewith, and must only be used by LICENSEE and LICENSEE's contractors, consultants and clients. Except as otherwise set forth herein, tracks may not be traded or exploited for profit or any other reason. Licensor maintains all intellectual property rights with regard to the marketing and sales of all libraries and any infringement thereof is punishable by law.

You the licensee MAY NOT:

1. Claim ownership or authorship of the LIBRARIES represented under this Agreement.
2. Assign, transfer, share, rent or sub-lease this Agreement with any other party, except as provided in the "Assignment & Transfer" section below.
3. Provide remote access to unsynchronized LIBRARIES to any user except the LICENSEE.
4. Sell the LIBRARIES contained herein outright on a stand-alone basis to any other individual or party. (Although the LIBRARIES can be sold as part of your or your clients' product/production.)
5. Transfer, re-record, copy or duplicate any LIBRARIES on a stand-alone basis for any purpose not authorized under the terms of this Agreement.
6. Except as otherwise provided in this Agreement, copy, duplicate, provide access to, sell, lease, loan or give away unsynchronized LIBRARIES by any means including the World Wide Web, streaming audio or any delivery method now known or which shall become known.
7. Sell or otherwise dispose of computers, hard drives or discs or any other electronic storage media which contain LIBRARIES, unless all the LIBRARIES have been deleted. All LIBRARIES maintained on any electronic storage media must be deleted before the disposal, transfer or sale of any device that contains LIBRARIES.

AI & machine learning

You may not use, and may not permit any third party to use, the LIBRARIES (in whole or in part, whether synchronized or unsynchronized) to train, develop, fine-tune, validate, benchmark or otherwise create or improve any artificial intelligence, machine-learning, generative or algorithmic model, system, tool or dataset — including without limitation any text-to-audio, audio-generation, voice or sound-synthesis, or sound-classification system. The LIBRARIES may not be ingested into, or made available as training, input or reference data for, any such system. This restriction survives termination of this Agreement.

Content of the recordings

Some LIBRARIES are live, on-location field recordings of real environments and events (for example stadiums, cities, public spaces, transport and crowds). Such recordings may incidentally capture third-party content, including but not limited to music, songs, melodies, anthems, chants, public-address audio, speech, brands, trademarks or logos. Licensor gives no warranty that the recordings are free of music or other third-party rights, and accepts no responsibility for the use you make of them. You are solely responsible for reviewing the material you actually use and for obtaining any clearances, licences or permissions required for your particular product/production. For clarity, the rights granted in this Agreement apply to Licensor's sound recordings only and do not include synchronization,

master-use or public-performance rights to any underlying musical work incidentally captured. This section prevails over any conflicting statement in this Agreement.

Assignment & transfer

This licence is granted to a single user and may not be assigned, transferred, shared, sub-licensed or rented, except that Licensor may, at its sole discretion and upon written request, authorise the transfer or re-assignment of a licence to a named successor user or entity (for example, when a licence is reassigned to a different person or department within the LICENSEE's organisation). Any such transfer is effective only once confirmed in writing by Licensor.

Term

This Agreement commences on the Effective Date and is effective in perpetuity all over the world.

Warranty

Licensor represents and warrants that it created, or holds the rights necessary to license, the sound recordings comprised in the LIBRARIES, and that it is entitled to grant the licence set out in this Agreement. This warranty does not extend to incidental third-party content captured within field recordings, which is governed by the "Content of the recordings" section above. Except as expressly stated herein, the LIBRARIES are provided "as is", without warranties of any kind, express or implied.

Indemnification

LICENSEE will indemnify, save and hold harmless Licensor from and against any and all third-party claims, demands, damages, suits, liabilities and all costs and expenses, including without limitation attorneys' fees, arising as a result of a breach or alleged breach of this Agreement by the LICENSEE, or arising from the LICENSEE's use of the LIBRARIES.

Liability

Licensor accepts no responsibility for any loss of business or business profits resulting directly or indirectly from the performance of any LIBRARIES. Except for Licensor's obligations expressly stated herein, Licensor's total liability is limited and restricted solely to a replacement, at no charge, of the LIBRARIES in question.

Waiver

No failure or delay on the part of Licensor in exercising any right, power or remedy under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Governing law

This Agreement shall be construed and enforced in accordance with the laws of Spain. You agree that the exclusive jurisdiction for any action relating to this Agreement shall be the Courts of the city of Madrid, Spain, and you hereby consent to such jurisdiction.

Entire agreement & severability

This is the entire legal agreement between you, the end user, and Kaizen Audio Group SL regarding the LIBRARIES, and supersedes any prior agreement in respect of the same. If any provision is held invalid or unenforceable, the remaining provisions shall continue in full force. Purchasing and use of any LIBRARY from Surround Sound Lab / Kaizen Audio by any means constitutes acceptance of these terms.
